1 This fee (which is sometimes called the interment fee) is the charge made for digging and closing a new grave, or for reopening and closing an existing grave.

2 In England, Wales and Northern Ireland, you will usually need to pay doctors' fees as well. This is the charge for two doctors to sign the Medical Certificates for Cremation.

What We Offer:

DIRECT CREMATION

£1695

Simply put, direct cremation is the most basic form of cremation:

Your loved one is transferred into our care, the cremation takes place without witnesses, and the ashes are returned to you (usually in a simple Eco container)

You cannot attend a direct cremation, as it does not offer any kind of funeral service or the presence of a minister or officiant, and therefore takes place without the presence of any mourners.

With direct cremation, there are no ceremonial services involved and is without embalming, viewing or visitation.

It includes:-

- ❖ Cremation fees
- ❖ Any doctors' fees that apply for the completion of legally required certificates.
- ❖ Guidance on death registration and all necessary paperwork.
- ❖ A simple coffin. (No choices given)
- ❖ Transfer of the deceased from place of death to the Britannia House Funeral Home, Llandovery within 25 miles radius.
- ❖ Transfer to our most local crematorium (In an appropriate vehicle). Llanelli Crematorium is often used. We are happy to discuss other options with you should you so wish, however there may be additional costs involved.
- ❖ If requested to do so, informing you on the day prior to the proposed cremation, when the crematorium will accept your loved one into their care, so that if you so wish you are able to remember them in your own way at that specific time.
- ❖ Returning your loved ones cremated remains into your care.

You won't be able to choose the time, location, or date of the cremation, although, we are comfortable to avoid specific dates, should you so wish.

Families are able to hold life celebrations or thanksgiving services in memory of their loved one, either before or at a later date.

What We Offer:

A SIMPLE FUNERAL SERVICE **£1495**

Simply put, just a low-cost funeral with options and choices which incur extra charges:

Your loved one is transferred into our care and you choose either a cremation or burial at a time and place to suit your needs. However, at all times the most reasonable options are discussed, to give your loved one a full and dignified send off at the most reasonable of costs. Most crematoriums offer an early service at reduced rates.

With a simple funeral, you can choose either to just attend with no service, or family members can take the service personally, or we can engage a celebrant, vicar, minister or similar to build and conduct the service on your behalf.

It includes:-

- ❖ Provision of a simple coffin, suitable for burial or cremation.
- ❖ Funeral Directors services.
- ❖ Guidance on death registration and all necessary paperwork.
- ❖ Attending to all necessary arrangements.
- ❖ Provision of all necessary staff.
- ❖ Transfer of deceased from place of death during normal working hours (Within 25 miles)
- ❖ Care of the deceased.
- ❖ Provision of a suitable vehicle to the nearest crematorium or cemetery – choices discussed at time of need.
- ❖ Online death notices and memorials via Facebook.

OPTIONS AND CHOICES AT ADDITIONAL COSTS:-

These are additional fees, which are paid on your behalf and may include:

- ❖ Burial fees including gravedigger.
- ❖ Embalming and preparation for viewing and a final farewell.
- ❖ Crematorium and Doctors fees.
- ❖ Organist.
- ❖ Celebrant, Minister or Vicars fees.
- ❖ Death notices in local or national papers.
- ❖ Service leaflets (order of service).
- ❖ Limousine for mourners.
- ❖ Additional, unspecified fees incurred with special requests.

All additional fees are discussed and estimated at need and are fully itemised. Family members are welcome to prepare some items for the funeral personally. One thing Covid has taught us, is that funerals no longer need to be flamboyant to celebrate the life of a loved one. But remembering each person's individuality is often much more important.

What We Offer:

DIY : FUNERALS WITH A FAMILY TOUCH

£POA

Simply put, for that more hands-on approach:

Your loved one is transferred into our care, where we only offer refrigerated storage and then transfer to your chosen venue at a time and day to suit both parties. A less formal mode of transport is usually provided.

When a family prefers to be more hands on, we can offer a very simplified service. Families are able to deal personally with all paperwork and documentation and we give no formal advice unless requested to do so.

Families can choose and purchase their own coffin, organise crematoriums, natural burial grounds, home burials and services. There will be no preparation of the deceased unless instructed to do so. This would incur an additional charge.

We are also comfortable to be involved further should families wish, although this may also incur additional charges.

IT INCLUDES:-

- ❖ Collection and care of the deceased at the Britannia House Funeral Home for up to 14 days.
- ❖ Placing deceased in your chosen coffin. (No preparation or dressing)
- ❖ Transferring deceased to your chosen destination.

Additional costs would apply outside a 25 mile radius and for offering an out of hours service.

We take no responsibility for the suitability of coffins not purchased through us for their size, material suitability for cremation or burial and their condition upon receipt or durability.

Please feel free to contact us to discuss your options and requests, which may fit with your beliefs and wishes. Fully itemised estimates will be given.

What We Offer:

BESPOKE FUNERALS (Funeral Director's Charges) **From £1930**

A Funeral your way; a bespoke service tailored to your wishes without compromise.

Your loved one is transferred into our care and we offer fully all the options which are open to you to create a funeral, which reflects your loved one's spiritual wishes or faith. This can include services at home, in a church, chapel, venue, private or natural burial ground or crematorium. Services can be based at a number of venues during a single day, or over the course of a few days or weeks and refreshments.

Personality and interests can be included to build a service based on a loved one's life and a full choice of coffins will be considered from traditional to eco-friendly or colourful. It is also possible to consider alternative funeral vehicles and trends.

We will help you consider your wishes and offer a full written estimate prior to the funeral. We will help you book a time and date to suit all parties.

A full list of fees are available over the next few pages.
